| 48 | | 18/00405/FUL | An amended proposed site plan (Drawing Number PL104 Revision C) has been submitted which has addressed and resolved the highways issues previously outlined by the Highways Officer. A Preliminary Roost Assessment has also been submitted evaluating that the proposed tree works would almost certainly have no significant impact on roosting bats. The Officer Recommendation can therefore now recommend the application be approved subject to the conditions outlined in the officer report. |
