	<i>Action</i>
DEV21 MINUTES	
<p>The Minutes of the meeting held on 8 September 2014, having been circulated, were taken as read and signed as a correct record.</p>	
DEV22 PLANNING APPLICATIONS TO BE DETERMINED BY THE COMMITTEE	
<p>The Committee considered the following applications for planning permission and, in accordance with its powers and duties, made the decisions described below.</p>	
DEV23 - 14/00455/FUL - PROPOSED DEMOLITION OF EXISTING BUILDINGS AND DEVELOPMENT OF 175 NO. DWELLINGS WITH ASSOCIATED INFRASTRUCTURE INCLUDING PARKING, PEDESTRIAN ACCESS, HIGHWAY WORKS, LANDSCAPE AND BOUNDARY TREATMENTS AND PUBLIC OPEN SPACE AREA, VEHICULAR ACCESSES FROM PAGE LANE AND WARRINGTON ROAD (PHASE 1 AND 2); AND SITE CLEARANCE/DEMOLITION AND REMEDIATION, HARD STANDING AND A FURTHER VEHICULAR ACCESS TO SERVE THE SITE FROM WARRINGTON ROAD (PHASE 3) ON LAND BOUNDED BY WARRINGTON ROAD AND PAGE LANE, WIDNES, CHESHIRE.	

The consultation procedure undertaken was outlined in the report together with background information in respect of the site.

It was reported that since the publication of the agenda, one additional representation had been received which raised concerns over highway safety due to the addition of new driveways on Page Lane. Amended landscaping plans had been received and the Construction Management Plan had been updated to reflect observations made by the Highway Officer. It was also reported that the Environmental Health Officer confirmed that they had no objections to the proposed development based on the observations made in the report and the suggested conditions.

The Committee was addressed by Mr Lynch on behalf of Halton Housing Trust (HHT). He advised members that the project was a partnership between Russell Homes and HHT which was funded by the HCA. He stated that it was a brownfield site that was originally planned for retail development but no interested parties came forward. This development therefore provided an opportunity to redevelop a site which was currently an eyesore and would be neglected further otherwise. The proposal was to develop high quality homes which would transform the look and feel of the site.

Mr Lynch advised that the scheme itself would provide 175 new affordable homes consisting of semi-detached houses and flats which were near to the town centre. He said they would be of a high design quality with good open space landscaping which was well above the amount that was required according to planning policy. He advised that they had completed consultations with the local community and no objections had been received and the application also complied with all areas of planning policy.

Members discussed the application, in particular the location of the children's play park within the scheme. It was confirmed that the play area would only be accessed through the estate roads and would be fenced all the way around preventing access to the surrounding roads. It was noted that the play area would be managed by HHT. The application was approved subject to the conditions listed below.

Resolved: That the application be approved subject to the following conditions:

1. Time Limit – Full Permission.
2. Approved plans.
3. Implementation in accordance with Proposed Site Levels (Policy BE1).
4. Facing Materials to be Agreed (Policies BE1 and BE2).
5. Implementation of Submitted Soft Landscaping Scheme and subsequent maintenance (Policy BE1).
