Please find enclosed the Statement of Community Consultation (SoCC) outlining how KGSL proposes to consult with people living in the vicinity of the land about the proposed application for development consent for the Keuper Gas Storage Project in Holford Brinefield, Cheshire.

KGSP is formally consulting you in accordance with section 47(2) Planning Act 2008 about the contents of the SoCC. The SoCC has also been sent for information to Cheshire East Council due to the proposed site being located close to the boundary of this authority.

In line with the requirements of the Planning Act 2008, KGSL will carry out the formal consultation on the contents of the SoCC for a period of 28 days and ask that your Council responds by Monday 22<sup>nd</sup> September 2014. KGSL will have regard to the Council's comments on the contents of the statement which are received within this period.

As explained in the SoCC, the public consultation on the proposal is set to commence on 2<sup>nd</sup> October 2014 and conclude on 27<sup>th</sup> November 2014. Within this period, public Information Days will take place during the weeks commencing 13<sup>th</sup> and 20<sup>th</sup> October 2014. The SoCC will be published and made readily available prior to the start of the consultation and with further advertisement prior to the public exhibitions.

For your convenience, I am sending this letter and its enclosures to you in both electronic and hard copy format. Please do not hesitate to contact me should you have any queries.

Yours sincerely,

Richard Stevenson
