WARD(S)	Borough-wide

1.0 PURPOSE OF THE REPORT

- 1.1 The purpose of this report is to present the Executive Board with Halton Local Safeguarding Children Board (LSCB) Annual Report 2015-16 for information.

2.0 RECOMMENDATION: That Executive Board note the contents of the report and associated Annual Report (Appendix 1) for information.

3.0 SUPPORTING INFORMATION

- 3.1 Keeping children and young people safe and promoting their welfare continues to be a high priority for the Council and partner agencies. The Lead Member for Children, Young People and Families attends the LSCB Main Board as a participant observer, and the LSCB Chair meets with the Lead Member, Chief Executive and Strategic Director on a quarterly basis to ensure there is an effective working relationship between the Children's Trust and LSCB, and that the LSCB is working effectively.
- 3.2 The LSCB Annual Report provides a rigorous and transparent assessment of the performance and effectiveness of local services to safeguard and promote the welfare of children and young people. It should identify areas of weakness, the causes of those weaknesses and the action being taken to address as well as other proposals for action. The report includes lessons from learning and improvement activity within the reporting period including: Serious Case Reviews, Practice Learning Reviews, Child Death Reviews and audits. The report also lists the contributions made to the LSCB by partners and details the LSCB's expenditure.
- 3.3 From November 2013 LSCBs became subject to the review of their effectiveness and in November/December 2014 the LSCB was reviewed by Ofsted alongside the inspection of services for children in need of help and protection, children looked after and care leavers. The LSCB Annual Report is a grade descriptor within the inspection framework. It is published in the public domain.

4.0 POLICY IMPLICATIONS

- 4.1 Section 13 of the Children Act 2014 requires each local authority to establish an LSCB and specifies the organisations and individuals that should be represented on the LSCB. The Local Authority is a statutory partner of the LSCB. The Chair must publish an Annual Report on the effectiveness of child safeguarding and promoting the welfare of children in the local area. (Section 14A of the Children Act 2004.) The report should be submitted to the Chief Executive and the Leader of the Council.

5.0 OTHER/FINANCIAL IMPLICATIONS

- 5.1 The LSCB is currently funded via contributions from the Council, Schools, Cheshire Constabulary, NHS Halton CCG, the Probation Services (NPS and CRC) and Cafcass. The budget has reduced over the past 5 years with the

LSCB losing contributions from Connexions, the Child Death Grant and year on year reductions from the Schools Forum. With the exception of Cheshire Constabulary, partners have been unable to commit to a sustained uplift in financial contributions or an increase of in kind contributions. Capacity within the HSCB Support Team has therefore reduced over time, with shared arrangements in place with Cheshire West and Chester LSCB. The current financial contributions cover staffing, but leave little additional resources to support the Board in undertaking its objectives and functions.

6.0 IMPLICATIONS FOR THE COUNCIL'S PRIORITIES

6.1 Children & Young People in Halton

The LSCB and Children's Trust have a formal protocol in place that sets out the accountability arrangements between the two. The Safeguarding Children Board is a formal consultee of the Children & Young People's Plan.

6.2 Employment, Learning & Skills in Halton

The LSCB has statutory functions regarding training, supervision and safer recruitment to support a skilled, competent and confident workforce across the partners working in the borough with children & young people, families and adults who may be parents/carers.

6.3 A Healthy Halton

The safeguarding of children is fundamental to their health and well-being. The LSCB is expected to influence the Joint Strategic Needs Assessment by ensuring it takes into account safeguarding children priorities. The LSCB's Health Sub Group which provides focus upon safeguarding children across the health sector is being developed to jointly report to the Safeguarding Adults and Children Boards. This will include a focus upon transitions.

6.4 A Safer Halton

The effectiveness of safeguarding children arrangements is fundamental to making Halton a safe place of residence for children and young people. The impact of domestic abuse on children and young people has been a priority area of focus for the HSCB. The HSCB has supported Halton Domestic Abuse Forum with training delivery for staff and Operation Encompass which has rolled out across Halton and Cheshire began as a pilot championed by the LSCBs.

6.5 Halton's Urban Renewal

None

7.0 RISK ANALYSIS

The LSCB Annual Report is expected to provide a rigorous and transparent assessment of the performance and effectiveness of local services to safeguard and promote the welfare of children and young people. This includes identifying areas of weakness which impact on outcomes for children in the borough, and is

a focus for Ofsted inspection of the Local Authority. The Joint Targeted Area Inspection (JTAI) is undertaken on a multi-agency basis. Therefore all partners need to be prepared to evidence the effectiveness of the work they have undertaken to safeguard children and young people.

7.1 The Children and Social Work Bill is abolishing LSCBs and expects the key safeguarding partners – the Local Authority, Police and Clinical Commissioning Group – to establish arrangements to ensure the effectiveness of safeguarding children processes and practice. As we are awaiting statutory guidance we run the risk of disengagement from other partners in the current strategic partnership arrangements.

8.0 **EQUALITY AND DIVERSITY ISSUES**

8.1 An Equality Impact Assessment is not required for this report.

9.0 **REASON(S) FOR DECISION**

The Local Safeguarding Children’s Board Annual report is a statutory report and provides an overview and scrutiny of the effectiveness of multi-agency partners’ safeguarding arrangements. Members are requested to note the report.

10.0 **ALTERNATIVE OPTIONS CONSIDERED AND REJECTED**

None as this is a required annual report.

11.0 **IMPLEMENTATION DATE**

October 2016.
