

**REPORT TO:** Safer Halton PPB  
**DATE:** 18<sup>th</sup> November 2008  
**REPORTING OFFICER:** Strategic Director – Health & Community  
**SUBJECT:** Safeguarding Vulnerable Adults

**1.0 PURPOSE OF REPORT**

1.1 To present the Annual Report of Halton's Safeguarding Vulnerable Adults Partnership Board, for the year 2007/08, and to brief the PPB on key issues and progression of the agenda for Safeguarding Vulnerable Adults.

**2.0 RECOMMENDATION:**

- i) That the PPB note and comment on the content of the Annual Report of the Safeguarding Vulnerable Adults Partnership Board 2007/08 (Appendix 1) and recent/current key issues.

**3.0 SUPPORTING INFORMATION**

**3.1 Annual Report of the Safeguarding Vulnerable Adults Partnership Board (SVAPB)**

The Annual Report outlines the operation of the multi-agency arrangements for safeguarding vulnerable adults in Halton, providing details of the work undertaken from April 2007 to March 2008 (including referral rate data) and summarising planned activity for the year April 2008 to March 2009. The report is made available on Halton Borough Council's website and is sent to lead officers and senior managers in partner agencies.

The production of the Annual Report is prioritised along with other items in the SVAPB work plan and is influenced by available resources. The Adult Protection Coordinator drafts the report for the SVAPB and was off work for several months during 2007-08, returning on a part time basis during which time other work took some precedence. Slippage has largely been recovered and the Coordinator has subsequently returned to full time work.

**3.2 Up-date**

Since April 2008, key issues to report are:

**3.2.1 Locally:**

- The joint all party scrutiny group of Elected Members, which was commissioned by the Healthy Halton and Safer Halton Policy and Performance Boards, has produced its report. Recommendations

will be built into the SVAPB work plan, for implementation.

- Representatives from Adult Social Services have joined a Safer Recruitment sub-group of the Halton Safeguarding Children Board, to prepare for implementation of the Safeguarding Vulnerable Groups Act 2006. This legislation will have implications for Halton Borough Council and some partner agencies, as it extends current vetting and barring arrangements.
- A Safeguarding Vulnerable Adults conference was held in July and was well received by those attending. Its primary purpose was to feed back the findings of research undertaken by the University of Liverpool, into service users' and carers' experience of Halton's multi-agency adult protection/safeguarding service, and Halton's response to the research. All participants in the research were invited, along with key people from partner agencies. Plans are underway to publish, nationally, learning points from the report.
- Halton's framework for operation of the service, 'Adult Protection in Halton – Inter-agency Policy, Procedures and Guidance', has been comprehensively revised and distributed. The distribution group has been extended to include, for example, all GP practices, libraries, community centres and the fire service.
- Halton Borough Council Managers are looking at options for making best use of resources available for operating the safeguarding service.
- In a positive response to a request for funding, partner agencies have committed the following contributions to the budget:

<b>Agency</b>	<b>Share (%) REQUESTED</b>	<b>Training (£) 2007/08</b>	<b>Adult Protection Co-ordinator post (£) 2007/08</b>	<b>Total committed (£) 2008/09</b>
North Cheshire Hospitals NHS Trust	5	238	2,295	2,533
Halton & St Helens Primary Care NHS Trust	25	1,190	11,475	12,665
5 Boroughs Partnership NHS Trust	5	238		238

### 3.2.2 Nationally:

- Halton participated in the first phase of a national review of 'No Secrets' (DH & Home Office 2000) & will contribute to further consultation, which is now underway.
- A number of localities are participating in a pilot of draft national data reporting standards. Halton Borough Council is not participating in the pilot, as the current priority locally is to improve

the standard of data collection and reporting.
