ES10	<p>EXTENDING SERVICE LEVEL AGREEMENTS FOR PUPIL REFERRAL UNIT PROVISION:</p> <p>The Sub-Committee considered a report which sought agreement to allow for the extension of Service Level Agreements for a period of 12 months for current providers of education to KS4 Pupil Referral Unit learners in order to secure the continuity of education for these vulnerable learners.</p> <p>It was noted that in April 2011 the Procurement Team supported the 14-19 Division to procure provision for the KS4 PRU from September 2011, advertising the tender opportunity with The Chest, the Council's e-tendering facility hosted by Due North.</p> <p>Following the assessment of the Pre Qualification Questionnaire (PQQ) and Invitation to Tender (ITT)</p>	

Documentation, all those providers who submitted a tender failed to progress further in the process as they did not pass Gateway questions on the PQQ or failed to meet the minimum standards for information within the ITT document.

As the timescale to run a full procurement exercise again did not allow provision to be in place for September 2011, provision was required for a 12 month period so learners had the opportunity to complete qualifications with one provider during that period of time.

RESOLVED: That

1) under Procurement Standing Order 1.8.2 Standing Orders 3.1 and 3.2 be waived in respect of the current provision of education for KS4 Pupil Referral Unit (PRU) learners with the intention to extend existing contracts to August 2012 in view of the exceptional circumstances following a recent procurement process that resulted in no contracts able to be awarded. There would insufficient time to conduct a further tender exercise as provision needed to be in place before September 2011; and

2) the 14 – 19 Divisional Manager be authorised to negotiate a 12 month extension with providers where a Service Level Agreement was already in place.

ES11 ADVANCES LEVEL PERFORMANCE SYSTEMS

The Sub-Committee considered a report which sought agreement to waive standing orders to enter into a contract with Alkemygold Limited as the only provider of the Advance Level Performance System for the analysis of results for the academic year 2010/11. The ALPS was a nationally used Level 3 A Level and BTEC Course analysis and training package for delivering quality improvement in schools and colleges. It was developed to raise standards in education on a national scale and to engage teachers and educational professionals to give them practical tools to achieve this.

Members were advised that Halton had historical ALPS value added scores for post 16 institutions and each subject area, which allowed analysis of trends over time. Continuation of the use of ALPS would allow for continued analysis of the effectiveness of Post 16 Institutions' improvement plans in raising attainment for learners compared to other institutions nationally.

It was noted that Post 16 institutions made valuable

use of the target setting software to set challenging targets for learners and this was part of the strategies that had resulted in the increased Level 3 performance Halton had experienced. In 2010, 42.3% of Halton learners had achieved a Level 3 qualification by age 19. This was an 8.4% increase upon the 2009 recorded figure for this indicator and represented the second largest local authority increase. The cost of purchasing ALPS for the academic year 2010/11 was £4,000 excluding VAT, and was included in the spending plan for the 14 – 19 Division 2011/12.

RESOLVED: That

1) under Procurement Standing Order 1.8.2 (a) Standing Orders 4.1 and 4.2 be waived in respect of Alkemygold Limited for the Advanced Level performance System (ALPS); and
