ES80	<p>LOCAL GOVERNMENT ACT 1972 AND THE LOCAL GOVERNMENT (ACCESS TO INFORMATION) ACT 1985 – URGENT BUSINESS</p> <p>The Committee was advised that a matter had arisen which required immediate attention by the Committee because in this case a decision was required before the date of the next meeting (Minute ES90 refers), therefore pursuant to Section 100 B (4) and 100 E Local Government Act 1972, the Chairman ruled that the item be considered as a matter of urgency.</p>

ES82	<p>2007/08 CHARGES FOR RIVERVIEW GYPSY SITE</p> <p>The Sub-Committee considered a report which sought approval for revised site charges at the Riverview</p>	

Gypsy Site for the financial year 2007/08.

A suggested pitch rental increase of 2.5% was in line with inflationary increases being levied for other Council fees and charges for 2007/08. The charge for water costs was based on actual bills and duties incurred in 2006/07, and should be increased by 9.2% for the coming year to cover costs.

The Sub Committee had previously considered a report on the procurement arrangements for the refurbishment of the Riverview Gypsy Site. The scheme would entail residents having to temporarily relocate to a site at Johnson's Lane, Widnes for a period of 7 – 8 months. Approval was sought to levy the same charges for pitch rental and water/sewerage on the temporary site as recommended above for Riverview. Any reduction in water consumption as a result of this move would be reflected in the 2008/09 charges.

RESOLVED: That the proposed 2.5% increase to pitch rental and 9.2% increase in water charges as set out in the report be approved with effect from 2nd April 2007, and that the same charges be applied to the temporary site at Johnson's Lane for the duration of the improvement works at Riverview.

ES84 3RD QUARTER TREASURY MANAGEMENT REPORT

The Sub-Committee considered a report which reviewed activities and treasury management for 3rd Quarter of 2006/07.

It was noted that all policy guidelines including the prudential indicators had been complied with.

RESOLVED: That the report be noted.

ES85 2006/07 QUARTER 3 SPENDING

The Sub-Committee considered a report which summarised the overall revenue and capital spending position as at 31st December 2006.

In overall terms, revenue expenditure at the end of the 3rd Quarter was around £1.97m below the budget profile. However, as the profile was only a guide to spending patterns, it did indicate in overall terms, that spending would be within budget. Within the overall position, there were some significant variances and details of these were outlined in the report.

With regard to capital, it was reported that spending to the 31st December 2006 totalled £13.5m which represented only 42% of the total programme of £32.4m. In particular, within major projects, the Widnes Waterfront, 3MG, and Castlefields Projects were significantly below their capital programme allocations, however, these were complex multi-funded projects, which made them particularly challenging to deliver. Although spending was likely to be significantly higher in the remainder of the financial year, it was important that project managers maintained pressure to keep projects and spending on schedule and in particular to ensure that all external funding was maximised.

RESOLVED: That the report be noted.
