3.0 SUPPORTING INFORMATION

3.1 The Government's Integrated Offender Management (IOM) Policy Statement was issued in June 2009. This set out 5 Key Principles which should underpin local IOM arrangements. These are:-

- All partners tackling offenders together
- Delivering a local response to local problems
- Offenders facing their responsibilities or facing the consequences
- Making better use of existing programmes and governance
- All offenders at high risk of causing serious harm and/or reoffending are 'in scope'

IOM is an overarching framework for bringing together agencies in local areas to prioritise interventions with offenders who cause crime in their locality. The best IOM schemes will be those that are directly responsive to the crime and offending problems of the local area, and that effectively harness local agencies to work together to tackle the risk factors.
