

# QUARTERLY MONITORING REPORT

**DIRECTORATE:** Health & Community  
**SERVICE:** Culture & Leisure Services  
**PERIOD:** Quarter 4 to period end 31 March 2008

## 1.0 INTRODUCTION

This quarterly monitoring report covers the Culture & Leisure Department fourth quarter period up to year-end 31 March 2008. It describes key developments and progress against 'key' objectives and performance indicators for the service.

Given that there are a considerable number of year-end transactions still to take place a Financial Statement for the period, which will be made available in due course, has not been included within this report in order to avoid providing information that would be subject to further change and amendment.

The way in which traffic light symbols have been used to reflect progress to date is explained in Appendix 6.

***It should be noted that this report is presented to a number of Policy and Performance Boards. Those objectives and indicators that are not directly relevant to this Board have been shaded grey.***

## 2.0 KEY DEVELOPMENTS

£236,000 of Sport England money has been secured to deliver the Sport and Physical Activity Alliance plan.

Operational Director to Chair working group to consider how culture can be developed through Building Schools for the Future.

New Parks events programme published. Over 220 free events promoted.

Big Lottery bid to re-furbish Kingsway Medical Centre for a one-stop shop for the voluntary sector has been unsuccessful.

### 3.0 EMERGING ISSUES

It is going to be impossible to continue to deliver a service at Halton Lea Library for the whole duration of the refurbishment. It is intended to offer a temporary service from a double shop unit in the shopping centre for a short period of time.

The Drug Action Team has begun the process of re-tendering the contract for its community based drug service (£1.2 million p.a.).

Consultation for the re-design of Runcorn Town Hall Park has begun.

Culture and Leisure is to be a pilot for consumer profiling using a new software package (ACORN).

### 4.0 PROGRESS AGAINST KEY OBJECTIVES / MILESTONES

Generally good progress has been made in achieving this years milestones for the services objectives. Some delays have been experienced with the restructure of the Community Safety Team. For further details please refer to Appendix 1.

### 4.1 PROGRESS AGAINST OTHER OBJECTIVES / MILESTONES

There are no "Other" objectives.

### 5.0 SERVICE REVIEW

Nothing to report this quarter.

### 6.0 PROGRESS AGAINST KEY PERFORMANCE INDICATORS

Of the six key performance indicators two achieved their target. For further details please refer to Appendix 2.

## 6.1 PROGRESS AGAINST OTHER PERFORMANCE INDICATORS

<b>Total</b>	<b>29</b>		<b>12</b>		<b>0</b>		<b>6</b>
--------------	-----------	---	-----------	---	----------	---	----------

Of the “Other” indicators eighteen have established outturns at this present time, details for which can be found in Appendix 3.

## 7.0 PROGRESS AGAINST LPSA TARGETS

For details of progress towards LPSA targets please refer to Appendix 4

## 8.0 RISK CONTROL MEASURES

During the production of the 2007-08 Service Plan, the service was required to undertake a risk assessment of all Key Service Objectives.

Where a Key Service Objective has been assessed and found to have associated ‘High’ risk, progress against the application of risk treatment measures is to be monitored, and reported in the quarterly monitoring report in quarters 2 and 4.

There are no Key Service Objectives for this service that have been assessed and found to have associated ‘High’ risks. Therefore, there is no progress to report.

## 9.0 PROGRESS AGAINST HIGH PRIORITY EQUALITY ACTIONS

During 2006/07 the service was required to undertake an Equality Impact Assessment. Progress against actions identified through that assessment, with associated High priority are to be reported in the quarterly monitoring report in quarters 2 and 4.

For details please refer to Appendix 5.

**Commentary**

Data is supplied in line with BVPI defined HOC Codes of Violence Against the Person, Sexual Offences and Robberies. Halton area did not achieve 2007/08 target of 16.88 violent crime per 1000 population recording 22.09 violent crimes per 1000 population. (Halton population based on 118,450 persons). However, on a positive note we have achieved a 13.6% decrease in volume of violent crimes during 2007/08 when compared to 2006/07. (3029 to 2616). We are currently in 8th position out of 15 within our MSCDRP family in line with our peers and performance is clearly improving. During 2007/08 'Other Wounding' was the most common crime type recorded and responsible 48% of total violent crimes within Halton. Riverside ward within Widnes town centre was identified as hotspot problematic area and further analysis identified

**Commentary**

Data is supplied in line with BVPI defined HOC Codes of Personal Robbery and Business Robbery. Halton area did not achieve 2007/08 target of 0.7 robberies crime per 1000 population recording 0.89 robbery crimes per 1000 population. (Halton population based on 118,450 persons). However, on a positive note we have achieved a -21.1% decrease in volume of violent crimes during 2007/08 when compared to 2006/07 (133 to 105). We are currently in 10th position out of 15 within our MSCDRP family in line with our peers and showing no apparent change, albeit well below the MSCDRP average. During 2007/08 Robbery of Personal Property was most common crime type with Halton Lea ward identified as hotspot location.

**Commentary**

Data supplied above is in line with BVPI defined HOC Codes of Theft From Vehicle, Theft Of Vehicle, Aggravated Vehicle Taking. Halton area has achieved the 2007/08 target of 13.04 vehicle crimes per 1000 population with 10.81 vehicle crimes per 1000 population. (Halton population based on 118.450 persons). Halton area also achieved a 10.23% decrease in vehicle crimes during 2007/08 when compared to 2006/07 (1427 to 1281). We are currently in 4th position out of 15 within our MSCDRP family showing no apparent change and performance is better than our peers. During 2007/08 Appleton ward was identified as the hotspot area. Under LPSA2 funding crime prevention initiatives such as 3 speaking message boards were installed advising public not to leave valuables on show in vehicles, a CCTV camera is to be installed at identified

**Commentary**

Data only available up to Feb 08. Number of drug users entering treatment continues to exceed the target set by the National Treatment Agency.

### Number of library visits per 1,000 population

**Commentary**

The total number of visits this year was 616, 474 this is an overall increase from last year of 7392 visits and continues to reflect the trend of increases at Halton Lea, Widnes, Ditton and the Mobile Libraries. However it doesn't meet the ambitious target we set for this year of 639,455, this was based on projected increases across all 4 static libraries and the Mobile.

### Active borrowers as a % of population

**Commentary**

The number of active members at 31st March 2008 was 24,639. This is just 83 members short of last years count but significantly less than the target we had set ourself. We are continuing to contact a percentage of lapsed users with offers to encourage them to come back to use the library and will have a number of membership campaigns in 2008 to link with the National Year of Reading Themes. The definition of active borrowers is not an accurate reflection of the people who use the Library Service, in reality use and visits are increasing as customers use the facilities for information, social and community purposes and not just for borrowing materials.
