3.2 The legal agreement contains a provision that the owner of the Plant agrees to pay the Council an annual lump sum payment for every tonne of fuel received and processed. The legal agreement states:

*“that the lump sum payments shall be used by the Council to fund environmental matters as may be specified from time to time by the Council within the Borough of Halton for the benefit of its residents generally and which may include measures to improve public transport, highway network improvements, travel plan monitoring, waste recycling and wider community improvements such as landscaping and nature conservation measures.”*
