## 3.0 SUPPORTING INFORMATION

3.1 The scrutiny topic considered by Health PPB for 2021/22 was the North West Association of Directors of Adult Social Services (NWADASS) Elected Member Commission report entitled 'The impact of Covid-19 on People with Care and Support Needs, their Families, Carers and Communities'.

3.2 The scrutiny topic was agreed by Health PPB in February 2021. The topic group was chaired by Councillor Peter Lloyd-Jones with Sue Wallace-Bonner as operational lead. The topic group met between July 2021 and January 2022 with all Health PPB members being invited to attend each meeting.

3.3 The Elected Member Social Care Commission was established as part of a North West ADASS approach to learning lessons from the Covid-19 pandemic. In particular, the role of The Commission was to investigate the impact of the pandemic on people and communities in the North West and what lessons could be learnt for further waves of infection and future service design.

3.4 The NWADASS report set out ten recommendations, which were the main focus of the scrutiny topic in terms of looking at local implementation.

3.5 The attached report explains how the review was conducted, the information that was considered by the topic group over the course of five

meetings and the actions agreed in relation to the each of the ten NWADASS recommendations.

3.6 In the course of the review, the topic group learned of the overwhelmingly positive work undertaken locally during the pandemic. Areas for further action in relation to each of the recommendations set out by NWADASS were agreed upon by the group and are outlined in the action plan included on pages 17-20 of the report.
