Do you want the proposed variation to have effect in relation to the introduction of the late night levy?

Yes No

You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

This is an established licensed general convenience store serving the local community selling an extensive range of goods.

The applicant, an experienced retailer, is keen to try to develop the business further, especially in the current climate.

The current licence allows the sale of alcohol until 11pm daily. The proposal is for the shop to open, including the sale of alcohol, until 2am, and the provision of late night refreshment until 2am.

This is also for the business to develop further in terms of deliveries. The ordering and delivery aspect is becoming more important and common-place now.

An updated floor plan is also submitted.
