**REPORTING OFFICER:** Chief Executive

PORTFOLIO: Leader

SUBJECT: Urgent Decisions

WARDS: Borough Wide

## 1.0 PURPOSE OF THE REPORT

- 1.1 To bring to the attention of Executive Board urgent decision/s taken since the last meeting.
- 2.0 RECOMMENDATION: That the report is noted.

#### 3.0 SUPPORTING INFORMATION

3.1 The Council's Constitution gives authority to the Chief Executive to take urgent decision/s which are required before the next formal meeting of Executive Board.

These must be made in consultation with the Leader of the Council where practicable, and with the Operational Director – Finance and/or Operational Director – Legal and Democratic Services, where necessary. They must also be reported for information to the next practically available meeting of the Board.

3.2 More information on each can be found on the Council's website:

http://councillors.halton.gov.uk/mgDelegatedDecisions.aspx?bcr=1

3.3 The urgent decision/s taken since the last meeting of Executive Board:

Date Decision taken	Decision details
11 September 2023	Market Sustainability & Improvement Fund (MSIF) – Workforce Fund 2023/24
	The recruitment and retention of sufficient social care staff with the appropriate skills, knowledge and behaviours is critical to improving adult social care capacity.
	The DHSC have strongly encouraged local authorities to work closely with providers to use this additional funding to grow workforce capacity and they expect growth in workforce capacity to support more local authorities to cope with potential winter challenges in the short-term.
	The main challenges currently within the Halton adult

social care sector are Older People Care Home capacity (Residential and Nursing), with a number of units closed due to lack of staffing capacity, along with Domiciliary Care staffing capacity.

It is therefore proposed that this funding is allocated to Older People Care Homes (External and Internal Care Homes) in the Borough, along with Halton's contracted Domiciliary Care provider, to support workforce capacity.

It is anticipated that improving workforce capacity in these areas will also have a positive impact on hospital discharge pathways and associated waiting times.

NB. This decision applies to the 2023/24 funding only.

The reason why this decision needs to be made is that the DHSC require confirmation of how the monies are to be spent by the end of September, so there is not the opportunity to present to Executive Board in advance of this.
