It was an approach between the Council and those who live or work in Halton to work together in order to create an improved Borough in all aspects of everyday life.

A Stakeholder Analysis together with a Communications Plan was developed in order to generate and establish as many opportunities as possible to involve all our stakeholders in many different and varied ways.

3.4

3.4.1 **Emerging Themes:**

The 5 themes in order of response priority were:

- Improving health, promoting wellbeing and supporting greater independence: 93%
- Building a strong, sustainable local economy: 91%
- Supporting children, young people and families: 89%
- Tackling inequality, helping those who are most in need: 84%
- Working towards a greener future: 78%

3.4.2

**Level of agreement to all of the 5 suggested themes was very high.**

Identifying other potential corporate plan themes, the top 3 identified by our stakeholders were:

- Environment / Open spaces / Litter / Overgrowth / Maintain green spaces / Keep street free of litter and weeds.
- Regeneration / Business / Economy / Support growth and town centres
- Housing / Affordability / Increase supported living / protect green spaces / Improved infrastructure

3.4.3

It is proposed that we recognise this level of engagement with our stakeholders and form a 6<sup>th</sup> priority, which encompasses all of the above, under the title '**Place and Community**'.

When asked how the Council can support these themes, the top 3 responses were:

- 'Provide opportunities for young people to engage with their local community and do things that interest them, keep them safe and make them happy'.

- 'Create vibrant town centres for everyone to enjoy across the Borough'
  - 'Continue to ensure local people are able to enjoy the Borough's parks and green spaces'
- 3.4.4

In terms of the ways our stakeholders can support the 5 popular themes, these were as follows:

- 'Spending money with local shops and businesses'
- 'Doing our best to stay healthy and active'
- 'Being a good neighbour'

### 3.5 **Timeline:**

- November 30<sup>th</sup> 2023: Consultation ended
- December 2023: Analysis undertaken
- January 2024: Key priorities identified and agreed / summary developed / shared with stakeholders via drop-in sessions within council buildings and open engagement at community spaces
- February - March 2024: Corporate Plan finalised and approved at key forums
- April 2024: the New Corporate Plan is launched

### 4.0 **POLICY IMPLICATIONS**

4.1 There are no specific policy implications at this stage, however the output of this process will be a new contemporary and relevant Halton Borough Council Corporate Plan. This will form the basis of the Council's Corporate Policy framework in the immediate term.

### 5.0 **FINANCIAL IMPLICATIONS**

5.1 None. The development of the new Corporate Plan is being delivered within existing budget and resource provision.

### 6.0 **IMPLICATIONS FOR THE COUNCIL'S PRIORITIES**

6.1 The Corporate Plan is Halton Borough Council's key strategic document. This plan sets out the main vision, themes and values of the Council.

'The Big Conversation' has helped to determine the Council's new set of priorities, which will be translated into the plan.

### 7.0 **RISK ANALYSIS**

- 7.1 If the Council had continued with the same priorities that were in place in previous years, given the socio-demographic and economic changes that have taken place over the last few years, there was a significant risk that the current Corporate Plan would lose its relevance.
- 7.2 That would lead to the Council failing to maintain engagement with the people of Halton, and its workforce, around where resources are best targeted in the contemporary environment.

## 8.0 **EQUALITY AND DIVERSITY ISSUES**

- 8.1 Equality and Diversity will be an integral part of the new Corporate Plan priority under the Big Conversation banner of 'Tackling inequality, helping those who are most in need.'
- 8.2 The Big Conversation consultation process was fully inclusive in terms of consulting a wide and varied range of stakeholders, which covered the 9 protected characteristics in the Equality Act 2010.
- 8.3 An Equality Impact Assessment will be undertaken as part of the plan development process.

## 9.0 **CLIMATE CHANGE IMPLICATIONS**

- 9.1 At this stage it is evident that there will be a specific priority around climate change, with the theme receiving full support under the Big Conversation banner of 'Working towards a greener future'.

## 10.0 **LIST OF BACKGROUND PAPERS UNDER SECTION 100D OF THE LOCAL GOVERNMENT ACT 1972**

None under the meaning of the Act.
