

REPORT TO: Executive Board
DATE: 16 January 2025
REPORTING OFFICER: Director of Finance
PORTFOLIO: Corporate Services
SUBJECT: 2024/25 Spending as at 30 November 2024
WARD(S): Borough-wide

1.0 PURPOSE OF REPORT

1.1 To report the Council's overall revenue net spend position as at 30 November 2024 together with a 2024/25 forecast outturn position.

2.0 RECOMMENDED: That;

- 1) All spending continues to be limited to essential items only;**
- 2) Executive Directors continue to identify areas where they can further reduce their directorate's spending or generate income, in order to reduce the councilwide forecast outturn overspend position;**
- 3) Executive Directors continue to implement the approved savings proposals for 2024/25 and 2025/26 as detailed in Appendix 4;**
- 4) The updated forecast outturn position be shared with the Ministry of Housing, Communities & Local Government in support of the Council's application for Exceptional Financial Support;**
- 5) Council be asked to approve the revisions to the capital programme set-out in paragraph 3.22 and incorporated within Appendix 3;**
- 6) This report be shared with each Policy and Performance Board, in order to ensure they have a full appreciation of the councilwide financial position, in addition to their specific areas of responsibility.**

3.0 SUPPORTING INFORMATION

Revenue Spending

3.1 Appendix 1 presents a summary of spending against the operational revenue budget up to 30 November 2024 and Appendix 2 provides detailed figures for each individual Department. In overall terms, net Council

spending as at 30 November 2024 is £14.246m over budget. The outturn forecast for the year estimates that net spending will be over budget by £20.757m if no corrective action is taken.

- 3.2 The forecast outturn overspend has increased by approximately £100,000 from the amount reported on 14 November 2024. Whilst this is only a marginal increase, there has been significant movement within individual directorates' outturn positions. Further information regarding significant departmental variances is included within the report and departmental figures are included in Appendices 1 and 2.
- 3.3 The forecast position continues to be of great concern, as there is no evidence of a reduction in overall spending across the Council. In order to address the situation, financial focus workshops led by the Chief Executive are taking place with each Directorate's senior leadership team on a monthly basis. These workshops are looking for urgent ways to reduce or stop spending, or generate income. The aim is that initiatives identified in these workshops will help reduce the overall forecast overspend position for the year.
- 3.4 It is certain that available reserves will not be sufficient to cover the forecast overspend for the year. Therefore, on 04 December 2024 Council approved an application to the Ministry of Housing, Communities & Local Government (MHCLG) for Exceptional Financial Support (EFS). The Government's EFS arrangement provides councils with exceptional permission to capitalise annual revenue costs and fund them from long term borrowing (usually over 25 years) from the Public Works Loans Board (PWLb). EFS provides permission to borrow and does not provide grant funding. The Council submitted a draft EFS application on 13 December 2024. The application will be updated based on the information within this report and also following clarification of the 2025/26 provisional grant settlement.
- 3.5 The Council's available useable reserves (general and earmarked) total £11.484m. This is well below that required to help provide a balanced budget position given the forecast outturn overspend. Further detail on reserves is provided at paragraph 3.19.
- 3.6 The forecast outturn figures reflect a prudent yet realistic view of spend and income levels through to the end of the year. Work will continue to update the financial position as more information becomes available. Included within the forecast position is the 2024/25 pay award which was paid in November 2024.
- 3.7 The largest pressure on the Council's budget continues to be within the Children & Families Department, where net spend for the year is forecast to be £8.311m (16.5%) above 2023/24 actual spend. There continue to be significant cost pressures within the forecast relating to staffing costs, residential placements, and out of borough foster care.
- 3.8 On 24 October 2024 the Board approved additional revenue funding of £4.2m per year, to help develop a programme around the stabilisation and

redesign of Children’s Social Care, following the Ofsted review. This investment is focused upon proactive early intervention and prevention systems. It is envisaged that this investment will help control and reduce costs within Children’s Social Care over the next few years, and these cost reductions will be built into future year budget targets.

3.9 The use and cost of agency staff continues to be one of the main contributing factors to the overspend position for the year. This is mostly evident within the Children & Families Department and the Council’s in-house Care Homes. Initiatives and support from the Transformation Programme are ongoing to reduce reliance upon agency staff.

3.10 Analysis of agency spend for the year, together with comparative analysis of 2023/24 costs, is included in the table below. Note information for Q3 only includes data for two months, October and November.

	2024/25				2023/24
	Q1	Q2	Q3 to Date	Total	Total
	£'000	£'000	£'000	£'000	£'000
Adult Social Care	1,341	1,656	806	3,803	5,927
Chief Executives Delivery Unit	132	179	154	465	0
Children & Family Services	1,283	1,432	940	3,655	6,157
Community & Greenspace	116	129	68	313	336
Economy, Enterprise & Property	86	105	78	269	343
Education, Inclusion & Provision	99	78	36	213	393
Finance	14	42	24	80	56
Legal & Democratic Services	253	274	137	664	814
Planning & Transportation	94	85	15	194	206
Public Health & Public Protection	11	10	1	22	21
Total	3,429	3,990	2,259	9,678	14,253

3.11 Within the approved budget for the year is a £4m savings target against the Transformation Programme. To date budget savings of £0.129m have been identified against this target. In addition, the Transformation Delivery Unit (TDU) have identified cost reductions and cost avoidance measures, although these will not lead to an overall reduction in the budgeted target. Progress against transformation savings is reported monthly to the Transformation Programme Board.

3.12 The forecast overspend is significantly above that which has been recorded in recent years. Whilst the current year net budget for the Council has increased by £7.7m (5.45%), this is well below the forecast increase in net costs, currently estimated as an increase of £22.952m (15.5%).

Revenue - Operational Spending

3.13 Operational net spending for the first eight months of the year is higher than the budget to date by £14.246m Based on current forecasts it is estimated net spend will be over budget for the year by £20.757m if no further corrective action is taken.

3.14 Within the overall budget forecast position for the quarter, the key budget variances are as follows;

(i) **Children and Families Department**

The overall forecast financial position at the end of 2024/25 has reduced by £0.631m since last reported at 30 September 2024.

Significant investment as part of a Children's Social Care improvement plan and redesign of the service, has been provided to support the improvement journey. Although, there has been a reduction in forecast overspend, It is important to recognise that the level of spend across the service remains a similar level. The reduction in forecast overspend is primarily due to the increased funding provided, as well as some reductions in other areas.

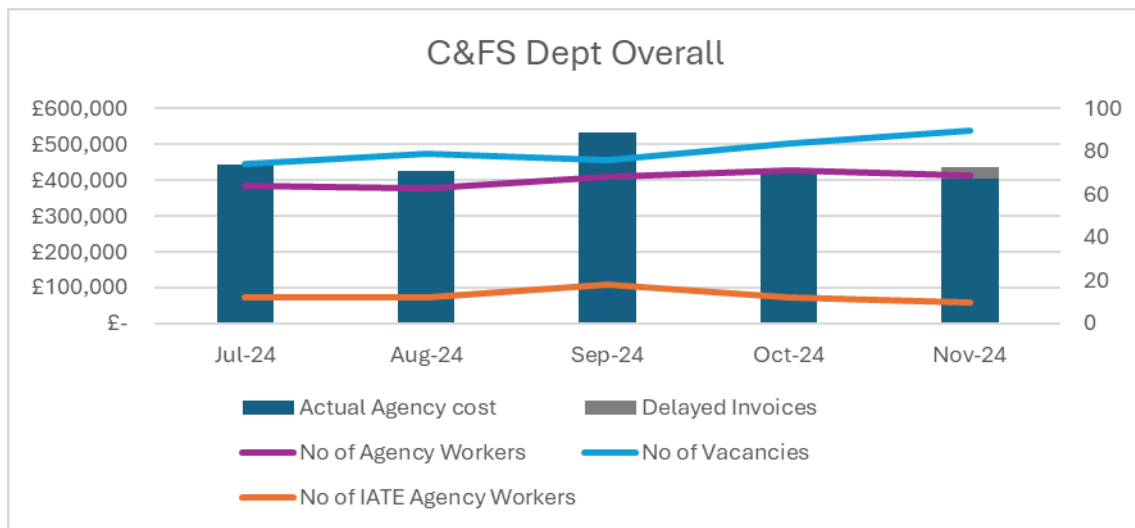

The Children's and Families Department forecast overspend continues to be an area of serious concern and the issues remain the same. These include the difficulty with recruitment of social workers and the subsequent high cost of agency staff, along with spiralling costs of residential placements. This has been an ongoing problem for a number of years.

Employee Expenditure

Employee costs are forecast to be over budget profile at the end of financial year 2024/25 by £2.618m, a reduction of £0.438m compared to the end of September 2024.

The reduction mainly relates to the approved additional investment within Children's Services which has resulted in the establishment of 33 new roles across the Department. Agency staff that were previously in addition to the establishment (IATE) are no longer considered as IATE. Additional in-year budget of £0.370m (funded from contingency) has been provided for some of the newly established posts which has helped reduce the overspend position.

The chart below analyses agency costs for the period April to November, for the Children and Families Department. These are based upon the period worked, the number of agency staff where an invoice has been received for each period, the number of vacancies, and the number of staff who are currently in addition to the establishment (IATE).

Residential Care

Out of Borough Residential Care costs continue to be the main budget pressure for the Children and Families Department, as the costs of residential care have continued to escalate year-on-year. The numbers of young people in residential placements remains high, complexity of care is increasing, and the cost of placements is rising significantly.

Provision	Weekly Costs	30-Nov-24		30-Sep-24	
		No. Placed	Estimated cost for the year	No. Placed	Estimated cost for the year
Residential	£1000 - £3000	4	476,360	3	425,275
Residential	£3001 - £5000	25	4,956,870	26	5,642,774
Residential	£5001 - £7000	26	7,413,389	27	7,989,196
Residential	£7001 - £15982	17	9,291,964	14	8,215,999
Secure	£6397 - £8137				
Leaving Care	£443 - £7175	14	2,341,056	18	2,643,101
Parent & Child	£2000 - £5500	7	913,562	6	715,298
Total:		93	25,393,201	94	25,631,643

The forecast overspend at the end of financial year is £7.194m for residential placements, which is a reduction of £0.200m since last reported.

Overall the cost of packages is increasing due to the complexity of support the young people require, as well as inflationary package cost increases. This is a national issue and market factors such as low supply and high demand have resulted in the costs of residential care packages rising significantly over the past year in particular, meaning that the level of spend is unsustainable at the current rate.

A number of initiatives are taking place to try and address the issue, including the operation of a High Cost Placement Panel, where high cost packages are individually scrutinised to ensure the placement is correct for the young person’s needs and is provided at the best available cost.

The graph below illustrates the rising costs of Residential Care, for consistency this does not include the costs of Unaccompanied Asylum-Seeking Children (UASC) as these costs were not included in previous years.

(ii) **Adult Social Care Directorate**

Community Care

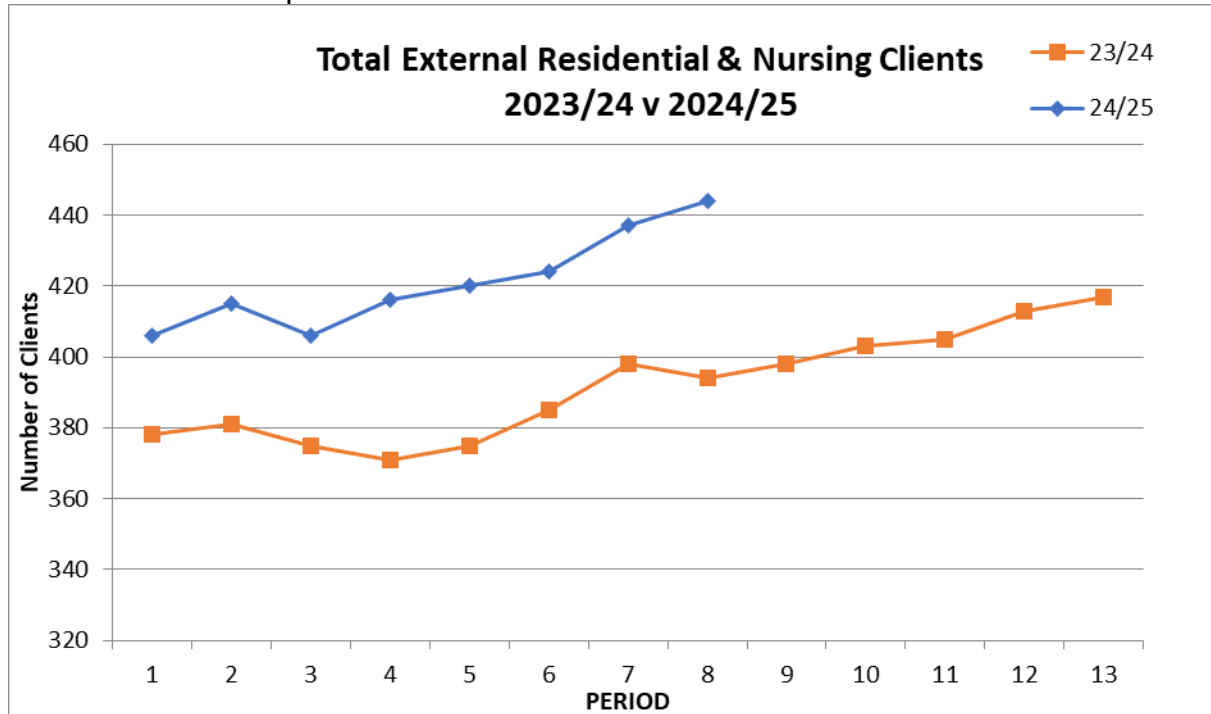

At the end of November 2024 expenditure on Community Care services is over budget profile by £1.569m. It is anticipated that at the end of the financial year it will be overspent by £2.951m. This is an increase of £0.518k from the previous forecast reported at the end of September. Note the September forecast was based upon August figures, hence this increase is over three months.

Residential & Nursing Care

There are currently 444 residents in permanent external residential/nursing care as at the end of November 2024 compared to 406 in April, an increase of 9.3%. Compared to the 2023/24 average of 390 this is an increase of 13.8%. The average cost of a package of care since April 2024 has increased from £866 to £873 a slight increase of 0.8%. Based on this average cost the 24 additional service users from August to November will cost approximately £0.491m to year-end. In addition, there are 92 residents placed within the Council’s in-house care homes.

The graph below illustrates the demand for permanent placements.

However, it is not only permanent placements that are increasing, as short-stay placements are also increasing fuelled by Pathway 3 Discharge to Assess. Health provide funding for four weeks, but generally when this funding ends the cost falls to the Council. Very few residents tend to qualify for Continuing Healthcare funding from Health. Short-stay placements have increased by £0.183m since last reported.

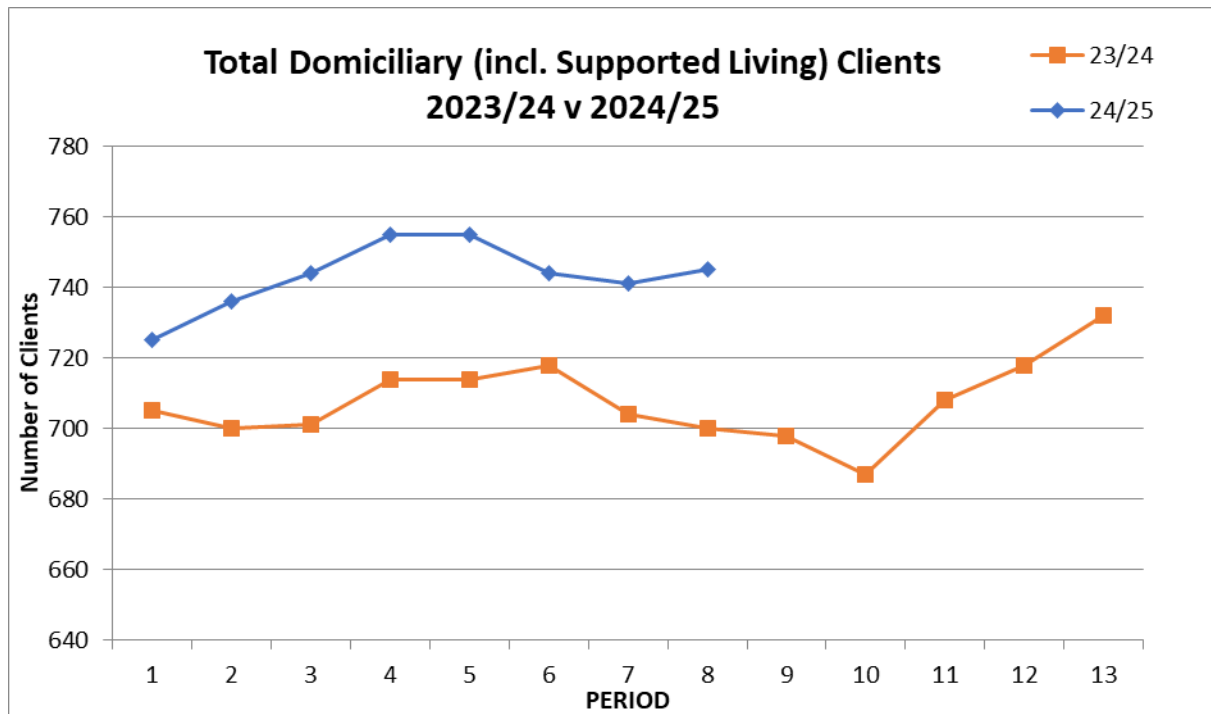

There are 25 external packages which charge top-up amounts currently costing £4,138 per week. The full year forecast spend is circa £0.159m.

Extra 1 to 1 hours in external care homes currently cost £8,339 per week and the forecast to year end for this is circa £0.492m. This is for 18 individuals to date. Last year 20 individuals received 1 to 1 care at a total cost of £0.255m. This suggests that either people are receiving more hours of care, or the rate is higher than last year.

Domiciliary Care & Supported Living

There are currently 745 service users receiving a package of care at home compared to 755 in August, a slight decrease of 1.3%. However, the average number of service users during 2023/24 was 707, so there has been an increase of 5.3% demonstrating that demand for the service has increased this financial year. The average cost of a package of care has increased by 3.5%, from £515 to £533.

The graph below illustrates the demand for the service from April 2023 to date.

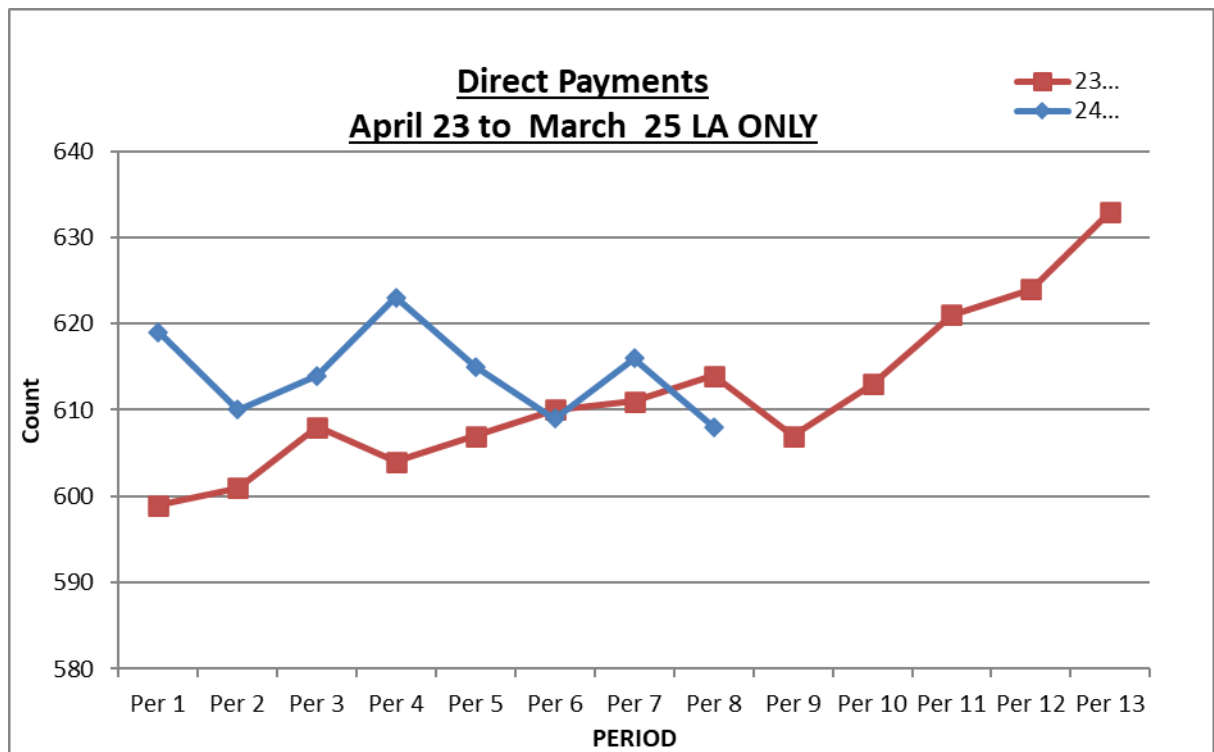

The average cost of a package of care is currently £533 compared with £491 in April, an increase of 8.6%.

Direct Payments

In November 2024, 608 clients received a Direct Payment (DP) compared with 619 in April 2024, a very slight decrease of 1.7%. However, the average number of DP's in 2023/24 was 591, therefore, there has been an increase of 2.8% on last year's average.

The average cost of a package of care has decreased since April 2024 from £529 to £472 in November 2024, a reduction of 10.7%.

The forecast position for Direct Payments assumes an amount of £1.4m will be recovered from users, following the ongoing audit process to seek assurance that the DP is spent in line with their care and support needs. Variations to the amount recovered will directly affect the forecast.

Care Homes

The spend to 30 November 2024 across the Division is over budget profile by £0.873m. The forecast for the end of 2024/25 financial year is an estimated outturn position of £1.245m over budget. This is assuming the level of agency staffing continues at a similar rate and includes higher spend assumptions later in the financial year due to winter pressures surrounding staffing and utilities.

Recruitment of staff is a continued pressure across the care homes, where there remains a high number of staff vacancies. A proactive rolling recruitment exercise is ongoing, supported by HR.

Due to pressures with recruitment and retention in the sector, heavy reliance is being placed on overtime and expensive agency staff to support the care homes. At the end of November 2024 total agency spend across the care homes reached £2.383m, the cost of which has partially been offset by staff vacancies.

(iii) **Education, Inclusion and Provision**

Schools Transport is the main budget pressure for the Education, Inclusion and Provision Department. The Council has a statutory responsibility to provide Special Educational Needs (SEN) pupils with transport. This is split into two main areas of SEN pupils attending In-Borough and Out-of-Borough Schools.

The table below illustrates the split between the two areas, and how each areas spend compares to the budget.

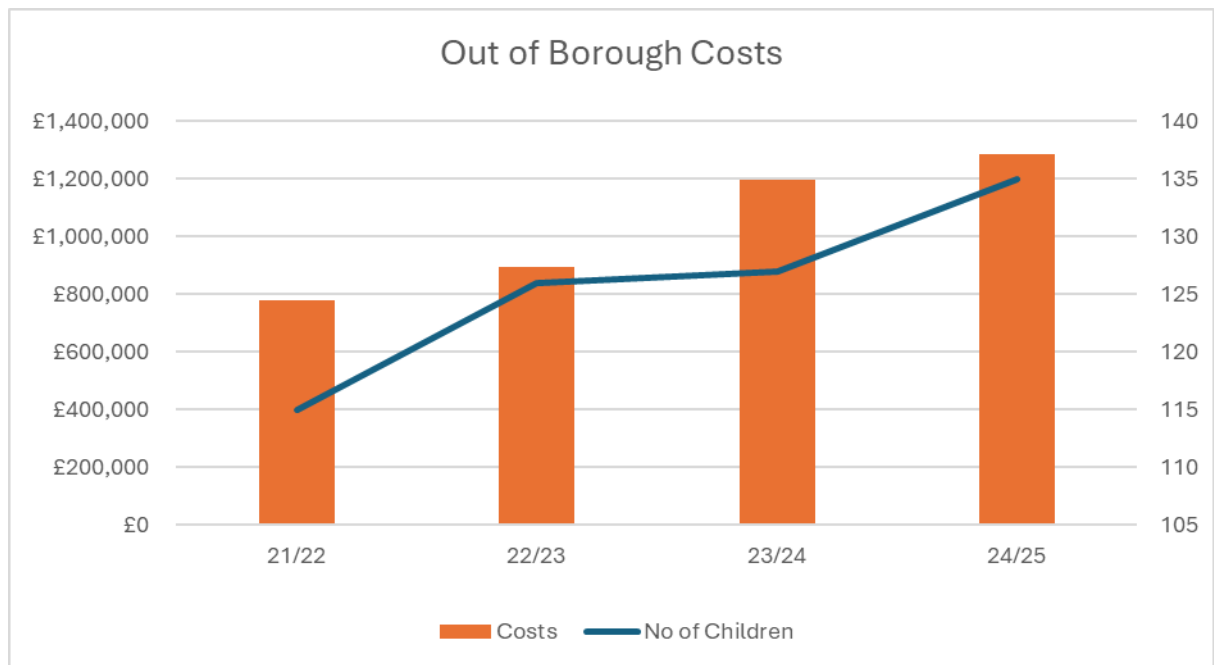

2024-25 as at Nov-24					
Area	Number of Users	Budget £000	Projected Spend £000	Variance £000	Average Cost per User
In Borough	461	1,826	1,783	43	£3,869
Out of Borough	135	489	1,286	(797)	£9,528
Total	596	2,315	3,070	(754)	

There are currently 596 service users, the majority of which attend schools within the Borough. The Out-of-Borough overspend has increased since the end of September 2024, to £0.852m.

During the current Academic year, it is anticipated that these figures will continue to rise, based upon historic information. The demand for the School Transport Service continues to increase in line with the increasing number of pupils with SEN within the Borough.

The graphs below show the trend in the number of SEN children using this service and the associated costs.

A further pressure on the departmental budget for the year relates to Psychology and SEN Assessment services provided to schools. For a number of years these costs have been funded by the Dedicated Schools Grant (DSG). The Department for Education have recently advised that these costs cannot be DSG funded as they are outside of scope in meeting the grant conditions. It is therefore currently assumed this cost will fall upon the Council's budget at a cost of £0.860m, until at such time other sources of funding are found.

(iv) ICT Department

At the end of the 2024/25 financial year it is forecasted that the ICT and Administration Department will be over the approved budget profile by £0.657m.

The main pressures faced by the ICT and Administration Department is in relation to the IT infrastructure, with the move to Microsoft 365, staff have been able to utilise much more efficient hardware. However, the software utilised by the new hardware is at a premium and will be a continuous pressure the Council will need to react to as prices fluctuate.

(v) Community and Greenspaces Department

The net departmental expenditure is forecast to be £0.616m under budget at the end of the 2024/25 financial year. This is an improved position from the expected £0.395m forecasted previously.

The largest contributor to the underspend is in relation to spend on Employees, which is currently forecast to be £1.012m under the approved budget profile by the end of the financial year. There are several restructures taking place across the Department, therefore,

in order to facilitate these a number of posts are currently being held vacant until the new structure is implemented. The most notable of these being the new structure being implemented when the new Halton Leisure Centre opens.

Collection Fund

- 3.15 The council tax collection rate through to the end of November 2024 is 71.43% which is 0.14% lower than the collection rate at the same point last year.

Debt relating to previous years continues to be collected, and the Council utilises powers through charging orders and attachment to earnings/benefits to secure debts. £1.811m (10.28%) has so far been collected this year in relation to previous years' debt.

- 3.16 Business rate collection through to the end of November 2024 is 76.03% which is 2.39% higher than the collection rate at the same point last year.

£1.694m has so far been collected this year in relation to previous years' debt.

Review of Reserves

- 3.17 As at 30 November 2024 the Council's General Reserve is unchanged from the previous period at £5.149m, which represents 3.44% of the Council's 2024/25 net budget. This is considered to be a minimum level.

- 3.18 There is a regular review of earmarked reserves undertaken to determine whether they can be released in part or in full to assist with funding the Council's current financial challenges, recognising that this only provides one-year funding solutions.

Reserves Summary

- 3.19 A summary breakdown of the Council's reserves is presented in the table below, showing the balance of reserves as at 30 November 2024.

Summary of General and Earmarked Reserves	
Reserve	Reserve Value £m
Corporate:	
General Fund	5.149
Transformation Fund	6.355
Capital Reserve	0.499
Insurance Reserve	1.000
Specific Projects:	
Adult Social Care	0.507
Fleet Replacement	0.418
Highways Feasibility Costs	0.102
Local Development Framework	0.494

Community & Environment	0.253
Mersey Valley Golf Club	0.483
Mersey Gateway	27.222
Various Other	0.554
Grants:	
Building Schools for the Future	6.529
Public Health	1.881
Supporting Families Performance Payments	0.534
Children's & Education	0.741
Domestic Abuse	1.186
Enterprise & Employment	0.115
Various Other	0.766
Total Earmarked Reserves	54.788

- 3.20 Held within the Transformation Reserve is £6.355m, set aside to help fund future balanced budgets, fund overspends, and meet a range of potential spending commitments in future years associated with delivering the Transformation Programme.
- 3.21 The above table shows the diminishing level of reserves available to assist with funding any future budget overspends and balancing future budgets. Only the £11.484m of the General Fund and Transformation Reserve could now be used for these purposes, as all remaining reserves are committed for specific purposes. Use of these reserves will help contribute towards reducing the Council's overall forecast overspend position and mitigate against the level of Exceptional Financial Support required.

Capital Spending

- 3.22 Council approved the 2024/25 Capital Programme on 6 March 2024. Since then the capital programme has been revised to reflect a number of changes in spending profiles and funding as schemes have developed. Appendix 3 brings all the separate elements together and report on the Council's total planned capital programme expenditure over the next three years. The schemes which have been revised within the programme are as follows:
- a. Family Hubs & Start for Life
 - b. Joint Funding RSL Adaptations
 - c. Madeline McKenna Refurbishment
 - d. Runcorn Station Quarter
 - e. Mersey Gateway Handback Land
- 3.23 Capital spending at 30 November 2024 totalled £26.1m, which represents 37.5% of the total Capital Programme of £69.6m (which assumes a 20% slippage between years).

Approved Savings

- 3.24 On 02 February 2023, Council approved savings proposals against the budget for the three year period 01 April 2023 to 31 March 2026. Appendix 4 lists those savings covering 2024/25 and 2025/26, together with RAG rated information on progress to date with developing and implementing the target savings.

4.0 CONCLUSIONS

- 4.1 As at 30 November 2024, net revenue spend is forecast to be £20.757m over the budget for the year.
- 4.2 It is clear that Council reserves alone will not be sufficient to fund this pressure. As a result of this position and future budget challenges, the Council has applied to Government for Exceptional Financial Support (EFS).
- 4.3 Departments should continue to ensure that all spending continues to be limited to only what is absolutely essential throughout the remainder of the year, to ensure that the forecast outturn overspend is minimised as far as possible and future spending is brought in line with budget. This will assist with minimising the ongoing cost of EFS borrowing.

5.0 POLICY IMPLICATIONS

- 5.1 None.

6.0 IMPLICATIONS FOR THE COUNCIL'S PRIORITIES

6.1 Improving Health, Promoting Wellbeing and Supporting Greater Independence

There are no direct implications, however, the revenue budget and capital programme support the delivery and achievement of all the Council's priorities.

6.2 Building a Strong, Sustainable Local Economy

There are no direct implications, however, the revenue budget and capital programme support the delivery and achievement of all the Council's priorities.

6.3 Supporting Children, Young People and Families

There are no direct implications, however, the revenue budget and capital programme support the delivery and achievement of all the Council's priorities.

6.4 Tackling Inequality and Helping Those Who Are Most In Need

There are no direct implications, however, the revenue budget and capital programme support the delivery and achievement of all the Council's priorities.

6.5 Working Towards a Greener Future

There are no direct implications, however, the revenue budget and capital programme support the delivery and achievement of all the Council's priorities.

6.6 Valuing and Appreciating Halton and Our Community

There are no direct implications, however, the revenue budget and capital programme support the delivery and achievement of all the Council's priorities.

7.0 RISK ANALYSIS

7.1 There are a number of financial risks within the budget. However, the Council has internal controls and processes in place to ensure that spending remains in line with budget as far as possible.

7.2 A budget risk register of significant financial risks has been prepared and is included at Appendix 5.

8.0 EQUALITY AND DIVERSITY ISSUES

8.1 None.

9.0 CLIMATE CHANGE IMPLICATIONS

9.1 None

10.0 LIST OF BACKGROUND PAPERS UNDER SECTION 100D OF THE LOCAL GOVERNMENT ACT 1072

10.1 There are no background papers under the meaning of the Act

Summary of Revenue Spending to 30 November 2024

Progress Against Agreed Savings

Appendix 4

Adult Social Care

	Service Area	Net Budget £'000	Description of Saving Proposal	Savings Value		Current Progress	Comments
				24/25 £'000	25/26 £'000		
ASC1	Housing Solutions	474	Remodel the current service based on good practice evidence from other areas.	0	125		Anticipated to be achieved, currently under review.
ASC2	Telehealthcare	680	Explore alternative funding streams such as Health funding or Disabled Facilities Grants.	170	0		Currently Under Review
			Increase charges / review income.	170	0		Charges were increased by 40% w.e.f. April 2024, so this should be achieved
			Cease the key safe installation service.	15	0		Service still being provided
ASC17/18	Quality Assurance Team	395	Review the activities of the Quality Assurance Team, given there are fewer providers for domiciliary care and the transfer of four care homes into the Council.	0	0		Saving implemented
			Merge the service with the Safeguarding Unit.	50	0		

ASC16	Shared Lives (Adult Placement Service)	115	Engage with an external agency currently operating Shared Lives to take over the running of this service. It is anticipated that this would provide an improved service.	58	0	u	Service currently still provided in-house, although a balanced budget will be attained for 2024/25 as a result of current temporary savings, and work is ongoing to ensure the 2025/6 structure can achieve the permanent savings target
ASC19	Voluntary Sector Support	N/A	Review the support provided by Adult Social Care and all other Council Departments, to voluntary sector organisations. This would include assisting them to secure alternative funding in order to reduce their dependence upon Council funding. A target saving phased over two years has been estimated.	200	100	✓	Anticipated to be achieved
ASC4	Positive Behaviour Support Service	349	Increase income generated in order to ensure full cost recovery, through increased service contract charges to other councils.	100	0	✓	Contracts being re-costed on renewal, saving anticipated to be achieved
				150	0	u	ICB funding not secured, although a balanced budget will be attained for 2024/25 as a result of current temporary savings, and work is ongoing to ensure the 2025/6 structure can

			Review the Integrated Care Board contribution for Adults, to ensure the full recovery of related costs.				achieve the permanent savings target
ASC15	Learning Disability Nursing Team	424	Cease provision of this service. The service is a Health related function rather than Adult Social Care, but this is a historical arrangement. The Integrated Care Board would need to consider how they want to provide this function.	424	0		Costs now recharged to the ICB
ASC14	Care Management Community Care Budget	18,982	Attract £500k investment from the pooled budget (BCF) from 2024/25. Undertake work in years 1 and 2 to reduce reliance upon contracted services from 2025/26. Services are currently in the process of being redesigned on a "Strengths Based Approach" ie. focused upon prevention.	500	1,000		Position currently being reviewed.

				24/25 £'000	25/26 £'000		
C1	Ditton and Warrington Road Daycare Centres	52	Closure of Ditton and Warrington Road daycare centres, given the significant on-going net losses at both centres. Sufficient alternative provision exists nearby, as well as in the adjoining nursery schools.	26	0		Early Years has now closed and budget for 24/25 has been removed
C2	Children's Centres	1,293	Review the operation of Windmill Hill Children's Centre, where there is the potential to save on premises and staffing costs.	0	22		This is subject to further review as external factors are changing the original review parameters. Potential alternative funding also to be reviewed.
C3	Children with Disabilities and Inglefield	858	Explore the potential for selling Inglefield and then purchase two bungalows within the community to provide a more appropriate setting.	112	0		Amount was removed at budget setting as will not be achieved
Total Children & Families Department				138	22		

Education, Inclusion and Provision

Ref	Service Area	Net Budget £'000	Description of Saving Proposal	Savings Value		Current Progress	Comments
				24/25 £'000	25/26 £'000		
EIP1	Education Psychology Service	339	There is excess demand from schools for the Education Psychology Service. The service is valued and there is opportunity to expand our offer and generate additional income.	52	0		
EIP2	SEN Assessment Team	82	Consideration will be given to funding the full service costs from the High Needs Block of the Dedicated Schools Grant.	80	0		DSG funding removed as does not comply with grant conditions.
EIP5	Commissioning	148	Review with Health colleagues how the Emotional Health and Wellbeing Service for Children in Care, Care Leavers and Carers could instead be provided by Child and Adolescent Mental Health Services (CAMHS) as they are commissioned by the Integrated Care Board.	148	0		To be reviewed.

Policy, Planning and Transportation

Ref.	Service Area	Net Budget £'000	Description of Saving Proposal	Savings Value		Current Progress	Comments
				24/25 £'000	25/26 £'000		
PPT6	Traffic	N/A	Consider introducing civil traffic enforcement for traffic violations. Employ private sector civil enforcement officers to issue fines and generate income. It would take 12 months to apply for powers from the DFT and put the scheme in place. The Environment & Urban Renewal Policy & Performance Board will consider this via a Topic Group.	150	0		Not currently viable, therefore no income will be generated in the current year as the traffic enforcement will not be carried out.
Total Policy, Planning & Transportation Department				150	0		

Symbol

Objective

Indicates that the objective is on course to be achieved within the appropriate timeframe.

Indicates that it is uncertain or too early to say at this stage whether the milestone/objective will be achieved within the appropriate timeframe.

Indicates that it is highly likely or certain that the objective will not be achieved within the appropriate timeframe.
